XI. Read the following passage carefully and answer the questions given

below :

1 × 4 = 4 (2 × 2)

Life is not the aggregate of days and months. It is the aggregate of lofty ideals and noble deeds. There is joy when you meet the demands you make and quench your thirst ; greater is the joy when we meet the need of others and quench their thirst. Lucky you are if you have no cause to shed tears of your own. Luckier you should be if you can wipe the tears of the poor and the suffering, the forsaken and the forlorn. Blind and ignorant we are, we try to seek fame in conquering nations, in giving false promises, uttering sugar coated words and fanning religious riots in order to perpetuate our

position and power. We think we make history and therefore prefer a claim to fame. We do not realise that our names do not enter even the pages of children's story books. The moment we go away, we go away once for all even from the memories of the people.
